

**Concerned** about your children?  
**Worried** about what they could be exposed to in the “Safe Touch” program?  
**Have you seen** the “Talking About Touching” program?

Then you need to come to the

## **"Safe Environments" Parent-led Information Meeting**

*Nearly 50 people have gathered together recently from 20 parishes to compile accurate information so that you, as the primary educator of your children, can make the best decisions for them.*

### **When**

Thursday, March 30 from 7 - 8:30pm

### **Where**

Fairview Community Center  
1910 West County Road B  
Roseville, MN 55113  
651-604-3503

Directions: [On West County Road B: just South of Highway 35W/36 between Cleveland Ave. N and Fairview Ave N.](#)

**What** you will learn at this meeting:

- Why are “safe environments” programs mandated?
- What is **VIRTUS**?
- What is “**Talking About Touching**”?
- What is the connection with **Planned Parenthood** and an organization called **SIECUS** that has been the enemy of the Church's teachings for over 40 years?
- What is the alternative offered in the “**Formation in Christian Chastity**” program?
- What can we do as parents?
- How do we reach our pastors?

Please share this information with fellow Catholic parents, parishioners, teachers, administrators, staff, and clergy. For additional information go to:
